Dear Mom and Dad,

We'd like to invite you to visit us in the U.S. for 9 days during your spring break (March 25—April 1); you're both teachers, so this will be the perfect time for you to travel. It's hard for us to travel to Europe very often, and we will be very happy if you can travel to America and see us.

We will show you San Francisco: there is a lot to do and see in the city. We will go for a hike on Twin Peaks, visit Golden Gate Park, have dinner in our favourite restaurants, visit Coit Tower and Lombard Street, walk or cycle across Golden Gate bridge, etc. We would also like to take you on a road trip to Los Angeles, and after that to go to Yosemite together for two days.

**We will cover all your expenses**, including tickets to and from the United States (which we have already booked for you), as well as travel to and from places we plan to visit (LA and Yosemite) and entrance fees to all tourist attractions. We will also cover your meals and housing; you will be staying at our apartment in San Francisco at the address stated above when we are not travelling. We will make reservations for a hotel in LA and camping in Yosemite, so you don't have to worry about a thing!

We miss you so much and we are looking forward to seeing you!

Love,

Iana & Marcin Andrychowicz
